Special Notices

- **Regular attendance is essential to a student's progress in dance.** Students who are frequently absent will continually struggle to advance. Good attendance is imperative, as absences and tardiness can hold back an entire class. Please be advised that the studio cannot jeopardize the responsibilities to the rest of the class for one student. Please make every effort to have your child in every class.
- **Awards are given for four, ten, and fifteen year students.** Please let the front desk know or send us an email in the first week of class.
- **Please discuss with your child before classes begin that it is important for them to finish what they start.** The job of getting your child to class is sometimes the hardest part, but once you get your child to class they will enjoy themselves as well as learn.
- **Discipline** – Positive reinforcement is used to guide our students toward acceptable behavior. When discipline becomes necessary, a child is first corrected several times. If that is not successful, "time out may be necessary on his or her behavior. The studio and our instructors reserve the right to dismiss a child from class due to disciplinary problems. The studio also reserves the right to refuse service to anyone.
- **Class Placement** – Students will be placed with respect to potential and proficiency by Miss Quan and the instructors. We reserve the right to place students by ability and not total number of years taken. Students will not be placed in a friend's class because of car pools, etc., unless each has the same level of ability.

- In order to maintain class structure and discipline, observation windows are limited.
- **Class Visitors** - A friend may visit, however, this must be pre-arranged with the instructor.
- The studio cannot be responsible for children left after class or children that have been dropped off early. **Friends/Siblings may not "hang out" unsupervised at the studio. Please make arrangements.**
- **Late Policy-** If your child is running late, there will be a 10 minute grace period for classes that are an hour or more. If he/she arrives 10 minutes after the class starttime they will have missed too much of the important warm-ups and may not take class but may attend to observe and take notes.
- **Please try to be prompt if your child is in the last class of the day.** Instructors will wait for 5 minutes after class. Please call us if you have an emergency and we will be glad to keep your child in the studio until you can arrive.
- **Class Make-up-** If your child will miss a class but would like to attend another class as a make-up, it must be communicated and approved by Ms. Quan first.
- **Bathroom Policy** - All students should use the restroom before class. We cannot let every child leave class to go to the restroom. Preschoolers should bring an extra set of clothes in their dance bag for emergencies.
- The studio is not responsible for children once they leave the studio premises.
- It is illegal to double park by order of the fire and police. Please do not double park.
- We are not responsible for teenagers that drive or who know students that drive and leave the premises

Inclement Weather Policy

When the public schools close due to weather, the studio will also close. In case of inclement weather (hurricane season) classes will resume as soon as the dance studio has power. Please call the studio at (334) 239-8516 for updated information about when the studio opens. We do not prorate tuition for the days.
